2026 PRESIDENT

Joe Sissano

Welcome to the 48th Southwestern Grand in Sedgewick, Kansas.

My first trip out to the Southwestern Grand was in 2016, and back then it was held at the National Shooting Complex in San Antonio, Texas. While there I met David Rhoads the 2025 ATA President for the first time. He was on the Central Handicap Committee at the time, and they were testing out the updated software for the upcoming Grand American in August of that year.

The second time I attended the Southwestern Grand was when they moved to the present facility in Sedgewick, Kansas in 2021. I drove out from New Jersey the day before. I plugged in the address for the gun club in my trusty Garmin and off I went from the hotel in Wichita.

We on the Executive Committee were unsure as to what the attendance would be at the new location, and I was very concerned. My worst fears were realized when the Garmin told me to make a left and on my right were trap fields with no one there! I sat there and couldn't believe it. I pulled back onto the road and looked down for vehicles coming from my right, and I saw temporary vertical flag poles and flags blowing in the breeze. So, I ventured down the road, to find the correct gun club and cars and people all over the place! I finally let out a big sigh of relief!

As the years have gone by, attendance gratefully has increased steadily and scores have also increased.

SOS Clays will be used to cashier the shoot and their presquad software will be available for you to pick a time of day to shoot. Greg Pink will be holding the "Silver Shootoff" for selected handicaps, following the day's events.

I talked to Rob Taylor, the KTA President since 2004 and the 2015 ATA President, who has assured me that the KTA is ready and eager to accommodate all shooters. Their goal is to ensure a successful and enjoyable experience for everyone in attendance.

Beyond the competition, they have several activities planned, including a fried chicken dinner on Friday night courtesy of the Taylor Companies, and a prime rib dinner on Saturday night.

So, put the Southwestern Grand on your 2026 ATA Shoot schedule,

A stylized, handwritten signature of Joe Sissano in black ink.

KTA President Letter

On behalf of the Kansas Trapshooting Association, it is my pleasure to welcome you to the 2026 ATA Southwestern Grand.

Each September, shooters from across the country gather on the Kansas prairie to compete, reconnect with friends, and celebrate the traditions that make our sport special. Whether you are a longtime Grand participant or attending for the first time, we are honored that you have chosen to spend your week with us.

The Southwestern Grand has long been recognized as one of the premier satellite Grand events in the Amateur Trapshooting Association. The competition is outstanding, the camaraderie unmatched, and the hospitality second to none. Kansas has a proud history of trapshooting excellence, and we are excited to continue that tradition by providing a championship-caliber event for every shooter.

The volunteers, officials, scorers, and staff have worked hard to prepare the grounds and ensure a memorable experience for all who attend. Their dedication and commitment are what make this event possible, and I encourage you to thank them when you have the opportunity.

While championships will be won and trophies awarded throughout the week, the true value of the Southwestern Grand lies in the friendships renewed, the stories shared, and the memories created on and around the trap fields. Those moments are what keep us coming back year after year.

To our visiting shooters and guests, thank you for making the trip to Kansas. We wish you safe travels, good weather, great targets, and your best scores of the season.

Welcome to the 2026 ATA Southwestern Grand. Enjoy the competition, enjoy the fellowship, and most importantly, enjoy your time in Kansas.

Good luck and good shooting!

*Rob Taylor

 - It shall be **YOUR** responsibility to report to the handicap desk and have your yardage increased or classification reviewed.
 - In Events #4, and #5, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. In all events that include class advances, all shooters, (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.

CATEGORY SHOOTERS

At all tournaments where All-American points will be awarded in any event, shooters may declare only one special category.

Note: Wheelchair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

3. All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will NOT be allowed to compete for the applicable category trophy.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the classification table.

4. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.
5. Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed.
SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.

7. Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty yardage. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

Here's to the friendships built between stations, the good-natured ribbing after a low score, the "PULL" yelled with just a little too much enthusiasm, and the shared belief that the wind is always out to get us.

May every tournament bring great scores and plenty of stories we'll be laughing about long after the last hull hits the ground.

*Proud Charity
of Choice:*

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.
