## 2026 Western Grand

Welcome to 38th Annual Western Grand at Vernal, Utah!

I first visited Vernal to shoot the Western Grand back in 2015, that year the Stars, Moon and Earth aligned, where three major shoots out West occurred back, to back, and to back, with a reasonable drive distance between all three locations.

First the Western Grand in Vernal Utah, then the Colorado State Shoot at Pike's Peak Gun Club in Colorado Springs and finally, back to Utah to the Utah State Shoot at Spanish Fork. It was a great trip out West from the Garden State and shoot tons of targets in a three-week period.

I contacted Sean Hawley to see what'll be in store for shooters attending the Western Grand this year.

- The Shrimp & Crawfish Boil put on by Dave Mansell Friday night will be returning
- The after-hours "Annie Oakley's" will be back
- The "Black Light Shoots" are back
- A "Bounce House" style water slide for the kids, (maybe adults Too!)

Sean also mentioned that Greg Pink's featured "Silver Bar Shoot Off's" will be held for certain handicap events, noted in the Program. SOS Clays Software will be used to cashier the shoot. SOS Clays Presquadding will also be available to choose the time of day you'd like to compete and to avoid the squadding line.

So, block out these dates on your calendar to attend the Western Grand in Vernal!

# Shooter Responsibility

1. Take your average card to the Classification/Handicap window immediately upon arrival. Be sure a member of the Handicap Committee enters your classification, including Handicap yardage and special category such as Veteran, Lady, etc., into the computer before you leave the window. It shall be the shooters responsibility to inform the Handicap Committee as to his or her category.
2. Once classified, proceed to cashier for entry, options and receipt.
3. All SOS Clays reservations will be honored and held for all events each day until 30 minutes prior to the start of the first event of that day.
4. The cashier will not accept counter checks or second party checks. Checks are accepted in the amount of shooting fees only - No Exceptions. **All entries must be made in U.S. funds.**
5. No shooter will be allowed to make up more than 50 targets on a practice trap if he/she has missed the squad. If you are unable to join your squad before they have started their second fifty, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap within 30 minutes of when the last squad takes the line for that event.
6. By entering the competition, every person agrees to accept all official decisions and to abide by ATA rules.
7. Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to cashier and be re-squadded on a later squad. If there is no squad available the shooter forfeits all entry and option money.
8. In case of a gun breakdown, a shooter is allowed five (5) minutes to repair or replace his/her gun.
9. Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each 25/50 target sub event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with ATA rules.
10. All information needed to award trophies, award monies, and file ATA shoot reports is taken from score sheets, so be sure all information is correct.
11. The use of golf carts and motorbikes will be at shooters/guest risk.

Shooters winning or tying for class in Events #4 through #13 will be advanced at least one class. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the Class Champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered notified when the new class or yardage is posted on the bulletin board.

Any shooter who has declared a Special Category at Classification, and whose scores only qualifies him/her for any trophy in his/her Declared Category, will compete for the Category trophy and not for place, class or yardage group.

## Announcement

This program will absolutely govern the Tournament. The ATA rules will govern all points not otherwise provided for. The EC reserves the absolute right in its sound discretion, at any time prior to or during this shoot to change or modify this program in any manner it desires.

# Classification & Handicap

All target requirements described below **MUST** be met before firing a shot in the first event of the HOA (Event #4). After meeting the target requirement, please return to classification. Any reclassification must occur prior to your paid entry into Event #4.

After Event #4 is completed, class and yardage may only be increased.

## TARGET REQUIREMENTS:

Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous target years will be assigned to the 23 yard line or their regular Handicap yardage, whichever is greater. There will be no penalty yardage for shooters age 70 and over. Known ability may also be applied by the Handicap Committee. Shooters who fail to meet the minimum Handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

### ***Failure to shoot from the correct Handicap yardage will result in score disqualification.***

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament (Rule XII.B.e). Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

Shooters are required to have their 16-yard and Doubles averages computed for use by the Handicap Committee. Any shooter holding a card of another association will be classified at the yardage and class which is the greatest of the cards. The Handicap Committee reserves the right to change a shooters classification at any time deemed necessary.

Proud Charity  
of Choice:

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

- Kids & Clays has generated over \$49,000,000 net revenue through clay target charity shoots with proceeds benefiting Ronald McDonald Houses. Over 5,200,000 raised in 2025!
- Please help us continue the support by making a tax deductible contribution today by visiting [www.kidsandclays.com](http://www.kidsandclays.com) or scan the QR code to visit the website.
