# *Lynn Alexander Gipson*

October 24, 1958 - April 18, 2026

---

The Amateur Trapshooting Association mourns the loss of Executive Director Lynn Gipson, whose leadership, dedication, and passion left a lasting mark on the sport of trapshooting.

Lynn served as ATA Executive Director and Grand American Tournament Director for more than 14 years, guiding the organization through a period of growth, innovation, and expanded global reach. A lifelong trapshooter, he was introduced to the sport at just 14 years old, beginning a journey that would ultimately shape the course of his life and the future of the ATA.

From his early days working at a local gun club to managing the Kansas City Trapshooters Association and later leading the ATA, Lynn's commitment to the sport never wavered. His deep understanding of trapshooting, paired with his steady leadership, helped elevate the Grand American into a truly international event, welcoming competitors from around the world and strengthening the global trapshooting community.

Lynn believed strongly in the people who make this sport what it is. When asked about his success, he credited it simply: surround yourself with good people, trust them, and have a little luck. That philosophy was reflected in the relationships he built with shooters, volunteers, sponsors, and staff throughout his career.

Beyond his role with the ATA, Lynn served on numerous boards and committees supporting the shooting sports, including the Trapshooting Hall of Fame and the National Rifle Association. His influence extended far beyond any single title, touching nearly every corner of the trapshooting world.

To many, Lynn was more than a leader. He was a mentor, a collaborator, and a friend. His vision helped shape the modern Grand American, and his steady presence will be deeply missed in the sport he cared so much about.

# PRESIDENT'S WELCOME

## *2026 Grand American*

Welcome to the 127th Grand American! It's the 21st Grand American, since moving from Vandalia. It's the 20th being held at the IDNR World Shooting Complex here in Sparta Illinois. Fortunately, the 2020 Grand was held at the Missouri Home Grounds, due to the Covid 19 lockdown in Illinois.

I attended my first Grand American in 1980 at the Vandalia location, when I returned to ATA registered shooting. I had heard stories of shooting at Vandalia from my friends all the way back to 1968, when I first joined the ATA. Back then in Vandalia you needed to shoot factory ammo for all three disciplines, singles, handicap and doubles.

Shooting factory ammo was a treat for me, because back then, 95% of my shooting was with ammo I reloaded myself, with my trusted MEC 650! I returned from Vandalia with a clay bird box or two, full of Federal Papers empties, which filled my car with that great aroma they give off after being shot!

Again, this year, Lynn Gipson and this staff have signed up a great list of shooting related sponsors for the Grand. Mac Elliot's National Aviation Academy again this year is a Signature Sponsor for the 127th Grand American. Without support from Mac and our sponsors, we couldn't offer you such a great experience as a shooter.

As in previous years, our AIM Shooters will be holding their championships prior to our championships. It's amazing to watch our very talented AIM shooters compete at such high levels. Two hundred in singles, hundreds in doubles and handicap are not a stretch for these young adults, just routine!

While at the Grand, visit the air-conditioned ATA Hall of Fame building, where you can view historic trap targets and machines used by our predecessors, whose achievements produced remarkable results. A silent auction of shooting items are also there on tables to the left as you walk in the entrance. I was able to secure a nice leather shell bag donated & signed by Sean Hawley several years ago.

To satisfy your appetite, Butcher Block on Vendors Row on the East End of the Facility, will be there starting with breakfast and lunch, which lasts till late afternoon. Raw steaks and chops can be ordered from their off-site location for you campers and RV'ers out there. Besides Butcher Block, there are other fine vendors serving sausage sandwiches, hot dogs, hamburgers, lemonade, water, pop, energy drinks, and of course ice cream.

So, put this on your to do list. Good luck if you choose to join us for this great trapshooting tradition.

Joe Sissano  
President, Amateur Trapshooting Association

# REMOTE REGISTRATION

The ATA has created a way for shooters to squad, and cashier remotely from a computer or mobile phone!

\* Remote squadding during the Grand American is available at no charge through [presquad.shootata.com](https://presquad.shootata.com)

\* Remote cashiering is only offered for events beyond the current day's events through the website [presquad.shootata.com](https://presquad.shootata.com). You must already be squadded prior to the Grand American and already be classified during the Grand American to access remote cashiering.

These features will save time in line and traffic flow in the Event Center!

# ENTRY PROCEDURE

## The Event Center will open at 11 A.M. on Tuesday, July 28 and close at 5 P.M.

and will be open from 8 A.M. to 5 P.M. each day thereafter, unless posted otherwise.

Please note that the Event Center will close early on Tuesday, August 4, for the Hall of Fame Induction Banquet. Exact closing time will be posted in the Event Center. Please plan accordingly.

- 1) Before being classified/handicapped, you must have an ATA plastic card and average card. Participants with a broken or worn plastic card can get a replacement by presenting positive ID and their current plastic card, otherwise there will be a \$2.00 service charge per card. Replacement cards are available at the Member Services counter, adjacent to the cashiering counter.
- 2) Your Handicap yardage and Singles/Doubles classification will be determined by the Central Handicap Committee (CHC) at the classification counter. Also, any category declaration, including chair shooter, must be made at this time. Junior-Gold, Juniors and Sub-Juniors, [please refer to #11 for rules regarding reduced rate entries.](#)
- 3) All participants must be handicapped/classified prior to making their first entry as this is how classification and Handicap yardage are noted for entries throughout the tournament. The cashier will not be able to process your entry prior to classification. Shooters must have their plastic ATA card with them when they are squadded and cashiered.
- 4) If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals in the Events Center or Vendor Mall area immediately to release your position. Releasing your position allows us to fill the squad, making this tournament more enjoyable for the other shooters who signed up in the squad. A shooter may not draw more than one (1) position per event.
- 5) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for, prior to the event. Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management.
- 6) Please have your ATA plastic card with you. Event entry will not be allowed without it.
- 7) You will directly input your entries, including options, at the cashiering windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad and position along with your class/yardage, options, and any applicable categories for each event entered. After initial entry, you may return to cashiering and add options prior to the start of an event. Options may not be removed from an entry at anytime.

**You are not considered entered in an event until your entry for that event is paid. It is solely the responsibility of the shooter to ensure payment has been made prior to shooting an event. Failure to pay prior to shooting will result in disqualification of that score.**

**Also, review your squad and post assignment by event to ensure that you are shooting in your squadded position. Failure to shoot in your squadded position could result in disqualification.**

- 8) You may use credit or debit cards to pay for entry fees, options, and IDNR fees. There will be a 3% transaction fee on all card transactions. MasterCard, Visa, Discover, and Debit cards will be accepted. *Anyone that reverses a credit/debit card charge will be responsible for reimbursing the ATA for any fees assessed.*
- 9) No counter checks or second-party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only. Shooters presenting checks which are returned or dishonored for non-sufficient funds or any other reason will be charged a \$25 fee.
- 10) **All entries and ATA purchases must be made in U.S. funds only. NO EXCEPTIONS**
- 11) Any shooter under the age of 23 on the first day of the target year, or who turned 23 after the first day of the target year who enters any Grand American event, by paying the reduced rate of \$40.00 per 100 targets for target entry, must enter on the same basis in all events for the rest of the tournament. By selecting the reduced rate option, shooters are ineligible to participate in any purse, option (including the Grand Gun Option) or added money for any event. **HOWEVER**, reduced rate entry shooters are still eligible to win any trophy in that event. Once entry is made at the reduced rate, no shooter will be reclassified at full price. Likewise, any shooter who enters an event at full price will not be reclassified to the reduced rate option. **It is the responsibility of each competitor, who may be eligible for this reduced rate, to make a declaration at the time of classification. No reclassification will occur after the competitor enters an event.**
- 12) **No Refunds unless event is cancelled. NO EXCEPTIONS.**

**RE-SQUAD PENALTY/MAKE-UPS:** A squad will be held up to three minutes for a tardy shooter. If the tardy shooter does not appear within three minutes, the squad must begin the event without that shooter. Any shooter missing his/her squad or changing squads for any reason other than earned yardage in any event who desires to re-enter shall pay a \$25 penalty. **No shooter will be allowed to make up more than 50 targets on the make-up traps if he or she has missed a squad.** If you are unable to join your squad before they have started their third sub-event, you must be re-squadded and pay the \$25 re-squad fee. All make-ups for either missed squads or gun repairs report to the practice trap office within 30 minutes of when your squad finishes that event. **All make-ups must be completed by the end of the event.**

There will be a 3% transaction fee  
on all card transactions.  
Cards can be used for entry & now options.

MasterCard, Visa, Discover, and Debit cards will be accepted.

*Anyone that reverses a credit/debit card charge will be responsible for reimbursing the ATA for any fees assessed.*

## RULES AND REGULATIONS

**CATEGORY SHOOTERS:** All special categories, including chair shooter, must be declared at all tournaments where All-American points will be awarded. Such declaration **MUST** be made at the time of classification. Without such declaration a contestant will not be allowed to compete for the applicable category trophy. **Note: all special category shooters that will compete in the Champion of Champions race (Event #18) MUST DECLARE for that category at the time of classification.** No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. (See Rule IV.K.). The CHC will be solely responsible for identifying and correcting any classification error at this tournament.

In any event, shooters may declare only one special category (i.e. Lady 1, Lady 2, Sub-Junior, Junior, Junior-Gold, Sub-Veteran, Veteran or Senior Veteran). **Note: Wheel Chair shooters are exempt from this rule and may compete as both the Wheel Chair and another special category (See Rule III.K).** All special category shooters who are tied for Event Champion may shootoff/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shootoff/carry-over, and has declared a special category, the shooter will fall back to the declared category (See Rule X. D. 3.). Any shooter who has declared a special category and whose score qualifies for any trophy in his/her declared category will compete for the category trophy only, and not for place, class or yardage group. Any special category shooter whose score does not qualify for a trophy in his/her category may compete for place, class or yardage group trophies (See Rule X.D.5).

A shooter's Handicap yardage may be increased at anytime during the year, including immediately before and during the Grand American World Trapshooting Championships: at the discretion of the Central Handicap Committee, or voting members of the Executive Committee (See Rule VI, F., 3.,c). Failure to shoot from the correct Handicap yardage will result in score disqualification. It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament (See Rule XII.B.1.e). Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (See Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (See Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (See Rule XII.B.8).

**Special note for youth shooters:  
see Entry Procedure Rule 11 for reduced rate targets on page 23.**

- 1) Shooters who do not have a total of 1,000 Singles targets registered in the current target year not later than the last day of Preliminary Week of the current Grand American Championships, will be advanced (1) class or more at the discretion of the CHC. Shooters may use any targets registered during Preliminary Week to meet the Grand American qualifications (See Item #5 below).
- 2) No participant shall be classified to shoot Handicap events at less than 25 yards unless they have a minimum of 1,000 registered Handicap targets in the current target year. Shooters may use any Preliminary Week targets to meet the minimum Handicap target requirement (see item #5 below). However, participants who fail to meet the Grand American Handicap qualification, as described above, shall have the choice of shooting **targets only** from their assigned ATA yardage provided they waive and forfeit all rights to ATA trophies, options (including Grand Gun Option, purses, and added money. (See Special Purses, Options, and Awards)
- 3) Handicap target requirements will be waived for shooters age 70 and over, making them eligible for trophies and monies (See Rule XI. A.).
- 4) Shooters who do not have a total of 1,000 Doubles targets registered in the current target year and not later than the last day of preliminary week of the current Grand American Championships, will be advanced (1) class or more at the discretion of the CHC. Shooters may use any targets registered during Preliminary Week to meet the Grand American qualifications (see Item #5 below).
- 5) All targets shot during the Preliminary Week, from Wednesday, July 29, through Sunday, August 2, may be applied toward meeting the above target requirements. Once the target requirement is met, please return to the classification counter if you wish to be reclassified. **ANY RECLASSIFICATION MUST BE MADE THE NEXT DAY BEFORE YOU ENTER THE NEXT EVENT.**
- 6) Shooters winning or tying for high in class in any Singles or Doubles event during the Preliminary Grand Week (July 29 - August 2) will be subject to review and may be advanced at the discretion of the CHC for subsequent like events for the remainder of the tournament. Shooters winning or tying for high in class in any Singles or Doubles event during Grand Week (August 3-8) will automatically be advanced at least one class for subsequent like events. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Any shooter earning yardage in any Handicap event shall report to the Central Handicap Committee counter in the Event Center to have their average card punched to denote their yardage earned. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin boards located in the Entry Building and/or adjacent to the Score Sheet Annex.
- 7) Any shooter failing to follow Item #6 above will be subject to disqualification and will be ineligible for any trophy and/or money.
- 8) Members of foreign shooting associations must show their current "home" classification cards. Down-the-line averages will be classed the same as ATA Singles, non-ATA Doubles the same as ATA Doubles, at the discretion of the Handicap Committee.

**AMMUNITION: New shells are mandatory for all Handicap events and Handicap shootoffs.** Shooters will be able to bring their own shells (including reloads) for Single and Double events or may buy shells through Gamaliel Shooting Supply at the shell house. **The shell house closes at 6 P.M., so make sure that you get your shootoff shells before 6 P.M.** Violations of the shell standards as listed in the ATA rule book will be dealt with aggressively including possible long suspensions.

# MONEY DIVISIONS, OPTIONS, & SPECIAL PURSES

**MONEY DIVISION:** Added money, purses, and options are calculated using a variety of money pay-off systems. Our objective—through the use of percentage system, class purses, Lewis Class, yardage groups, and high-gun system—is to provide something that each participant desires.

- 1) I.R.S. regulations require a Social Security number before accumulated event winnings checks of over \$600 can be distributed. If you anticipate receiving option checks through the mail, it will be necessary to report your Social Security number. You can directly input your SSN at any self-service kiosk.
- 2) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him/her during the period of the Grand American Tournament, a payment for the money won may be mailed to the address indicated by ATA records and, when so mailed, the ATA will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered, or otherwise not received by the shooter.
- 3) After initial entry, you may return to cashiering and add options prior to the start of an event. Options may not be removed from an entry at anytime.
- 4) **SCORES ARE FINAL FOR PURSE AND OPTION CALCULATIONS two (2) hours after the event is completed for all events. SCORES ARE EASILY VERIFIED THROUGH THE USE OF COMPUTER TERMINALS LOCATED IN THE SCORE SHEET ANNEX AND EVENTS CENTER. AN ATA PLASTIC CARD IS REQUIRED FOR ACCESS.**

**FIVE TARGETS PER POST:** All Grand American Singles and Handicap events will be shot on four (4) trap fields (5 targets per post). All Grand American Doubles events will be shot on two (2) trap fields (5 pair per post). The entire trap line will still consist of 27 banks with each bank consisting of four (4) trap fields. The entire line is not used on all events. White Flyer Orange Dome Targets will be used for all events.

**GRAND GUN OPTION:** A special option will be offered in Events 10-15-16-17-19-20-21-22-23-24. All persons entering these events can play a \$15 option. Winners will receive a new rifle or shotgun. All winners will be drawn at random and names will be posted at the Membership Services Counter in the Event Center on the following day. Winners need to visit the Membership Services Counter to provide verification so that they can pick up their prizes. Guns will be distributed in strict accordance with all state and federal firearms laws. Please check with Membership Services for more details. The option is in no way considered a donation.

**CHARITABLE LEWIS OPTIONS:** Charitable Lewis options are offered this year on seven Grand American events. Please consider participating in these options and help to advance the efforts of these truly worthwhile causes.

- ATA's AIM Youth Program - provides a rounded trapshooting program and scholarship opportunities for our future champions
- ATA's Gun Club Fund - provides needed funds for enhancements and improvements to select ATA gun clubs
- Trapshooting Hall of Fame - preserves the history of our great sport
- Ronald McDonald House - provides lodging for families of critically ill children

Half of your entry, along with any other direct contributions to these charities is a tax deductible contribution. ALL of these charities are recognized by the IRS as 501(c)3 organizations.

**JACKPOT LEWIS OPTION:**

- 40% OF THE TOTAL PURSE GOES TO THE TOP TWO SCORES (60-40% TIES DIVIDE)
- 30% OF THE TOTAL PURSE GOES TO THE NEXT THREE SCORES (50-30-20% TIES DIVIDE)
- 30% OF THE TOTAL PURSE GOES TO THE THREE SCORES HALFWAY DOWN THE LIST (50-30-20% TIES DIVIDE) USING LEWIS DISTRIBUTION SYSTEM.
- IF A SCORE HITS TWICE (ONCE FROM THE SECOND GROUP AND ONCE FROM THE THIRD GROUP) IT WILL PAY FROM BOTH GROUPS.

MasterCard, Visa, Discover, and Debit cards will be accepted.  
There will be a 3% transaction fee on all card transactions.

*Anyone that reverses a credit/debit card charge will be responsible for reimbursing the ATA for any fees assessed.*

# SHOOTOFFS & TEAM TIES

## *Shell House closes at 6 P.M.*

Grand American shootoffs will begin immediately following the last event of each day. All shooters should be ready to shoot at that time. All Handicap shootoffs will be held on the day the event is completed and as close to the end of the last event of the day as possible. All Singles and Doubles ties will be carried over until the last respective event of the tournament, with the exception of Event #17. Ties from Event #17, the Wenig Class Doubles, will carry over to Event #22, the ATA Doubles Championship presented by Kolar. Ties for the Preliminary High-All-Around, the High-Over-All 1,000 and the High-Over-All 1,500 will carry over by combining the results of the 50s of Events #15, 16 & 17. Remaining ties will be determined by reverse long run, Event #17 and if necessary, Event #16 and then Event #15.

Contestants will be called over the P.A. to report for check-in, which is located behind the Grandstands. Shooters will be assigned to a specific field after they check in and have been squadded. It is the shooter's responsibility to promptly report to the assigned field ready to shoot. Those shooters who have not reported by third call or are not at their assigned field when called will be disqualified from the shootoffs.

Leaders-to-date listings are displayed on video monitors in the Event Center and throughout the Complex to allow shooters to track potential shootoffs. Shooters are advised to note where special category shooters may have the high score/tie in class and in special category. It is possible that a score lower than what is broadcast on video display terminals may be involved in a shootoff.

Shootoffs for Singles events that have reached 200-targets for the shootoff may be continued the following evening as soon as possible, unless all contestants agree to continue. Handicap shootoffs-ties in Handicap events will be shot off the day the event is completed.

Shootoffs will be under the sole direction of the Shootoff Manager. All shootoff determinations and decisions including the order of the shootoffs will be made by the manager or his appointed immediate staff and will be final. An ATA Delegate, Alternate Delegate, or State Association Official will be assigned to referee at each shootoff field by the shootoff manager or his immediate office staff. Referees' responsibilities will be to ensure compliance with ATA rules on their assigned field.

Shootoffs will be on a 25-target basis in Singles and Handicap events, ten (10) pair in Doubles. Participants involved in Singles shootoffs should be prepared to shoot at fifty (50) targets before re-squadding. Shootoff shells are available in the vendor mall UNTIL 6 P.M. Shootoff target color will be Orange Dome until the shootoff manager determines the need to change to all White.

Ties for special events and team races will be determined by reverse sub event, team totals. If a tie still exists, tie will be settled by reverse long run, team shooting order. If a winner still has not been determined, tie will be settled by shoot management.

# PRE-SQUADDING PROCEDURE

*All pre-squadding may select the section of the trap line of their choice*

- 1) Pre-squadding will only be available through the ATA web site, [www.shootata.com](http://www.shootata.com), by selecting the link on the home page titled "Grand American Pre-Squadding".
- 2) In order to pre-squad, you will be required to furnish your ATA number and those of the shooters you wish to squad with you.
  - a. First, enter all the ATA numbers of those you wish to pre-squad. You don't have to position them to their post preference in the list; however, it will make pre-squadding easier and faster if you do so. Clicking the lock icon will lock them so they will not move. Clicking it again will unlock it. Clicking the red "X" will remove them from the list. You can enter more than 5 ATA numbers and move them around in the list as desired.
  - b. Select an event to view that event's squad matrix.
  - c. Select a squad that you would like to pre-squad on.
  - d. Move the ATA number(s) to the selected squad by clicking the appropriate arrow or the "Squad All" button to move them to their appropriate post(s).
  - e. Click the Reserve button to reserve that squad for that event.
  - f. Repeat for each event you want to pre-squad for.
  - g. When finished pre-squadding for all events, click the Checkout button.
- 3) In the case of yardage differential on Handicap events, you will be able to squad your list of shooters on individual squads. Only move the ATA numbers to their posts for those whose yardage meets the ATA's yardage differential on a squad. Handicap squadding will be done in strict accordance to the ATA rules.
- 4) You can find where your friends are squadded by selecting the "Find where a shooter is squadded" link on the top, right of the page.
- 5) A non-refundable service charge of \$2 per post, per event is due at Checkout of the pre-squadding process. Your pre-squad posts will be opened back up if you exit without paying and will not be held.
- 6) You will receive a confirmation email after your payment has been processed, listing all your pre-squadded positions. You can unsquad a purchased reservation by selecting the "Un squad Purchased Reservation" link on the bottom, left-hand side of the page. No refund will be given for those who unsquad their reservation.
- 7) Pre-squadding will open on June 15, 2026 at 5 P.M., Central Daylight Saving Time, and will close on July 19, 2026 at 5 P.M., CDST.

# SQUADDING DURING THE SHOOT

1. You will enter your squadding preferences by using a touch screen system.
2. You **MUST** have your plastic card to squad. After swiping your ATA card, and the cards of others that you wish to squad with you, you will select the event that you wish to squad for and preferred post(s). After providing your preference of an early, middle, or late squad and preferred bank section, and which of these two is most important, you will be shown six possible squads on the screen from which to make your selection.
3. After making your selection, you will assign shooters to posts. You will then be given the option of squadding for another event, or exiting the squadding process.
4. In the case of yardage differential on Handicap events, you will be able to squad your list of shooters on individual squads, if necessary.
5. When squadding a group of shooters with yardage differential it is recommended that you squad for all Singles and Doubles events first, and then squad the first group of shooters that can shoot together on Handicap, followed by the next group that can shoot together.
6. Handicap squadding will be done in strict accordance to ATA rules.
7. A shooter may squad for only one position per event.
8. Squadding by telephone will not be allowed. If you draw squad positions that will not be used for an event, please return to squadding, or use one of the self service kiosks to release your position. Anyone that does not release unused positions will risk having any or all subsequent pre-squadded positions in their name released by Management.
9. The trap line will be divided into six sections and each section has several shooting banks within the section. All pre-squadding shooters may select their preferred section. There are 27 total banks of four fields each at the World Shooting & Recreational Complex. The bank sections are defined as follows:
  - Section 1 – Banks 1-4
  - Section 2 – Banks 5-8
  - Section 3 – Banks 9-12
  - Section 4 – Banks 13-17
  - Section 5 – Banks 18-21
  - Section 6 – Banks 22-27
10. **Remote squadded shooters that do not pay for the first event of any day 30 minutes prior to the first event of the day risk having all pre-squadded positions opened up for that day.**

Firearms transferees will be required to check in at a designated area in the WSRC Event Center prior to initiating a firearms transfer. All federal regulations and any regulations of the transferee's state of residence concerning firearms transfers will be applicable. # GRAND HISTORY

The Grand American World Trapshooting Championships is one of America's oldest sporting events. The Grand American has evolved into the premier shooting event in the world with thousands of competitors.

This storied event dates back to 1893 when the first Grand American was held at Dexter Park in Long Island, New York. The 24 competitors shot at live birds. R.A. Welch won the Grand, shooting 23 out of 25.

In 1900, the first Grand American using clay targets was contested at Interstate Park in Queens, New York. Originally a four-day tournament held in June, there were 74 entrants. The shoot was managed by Elmer Shaner and the winner of the Grand was Rolla "Pop" Heikes of Dayton, Ohio.

The Grand American traveled to such cities as Chicago, Columbus, and St. Louis before making a home in Vandalia, Ohio in 1924. The ATA Homegrounds remained in Vandalia until the end of an era in 2005.

The Grand American currently takes place in Sparta, Illinois, at the World Shooting & Recreational Complex. The facility is truly a spectacular site. It has 120 trap fields, which stretch over three and a half miles along a beautiful countryside. There are 1,000 campsites, 4,001 parking spots, and 3 lakes on the grounds.

There are many activities being planned near the facility in various cities.

Today, the Grand American is truly an international event. Competitors travel from around the globe to take part in this annual tournament. Over 400 trophies and more than one million dollars in purses and options will be distributed to winners during the tournament.

The showcase of our sport is on display at the Trapshooting Hall of Fame.
