RULES GOVERNING THIS SHOOT:

1. Contestants may shoot for targets only but will not be eligible for trophies, added money or allowed to enter options.
2. The management reserves the right to refuse the entry of, or to disqualify any shooter who in their opinion will interfere with the harmony of this shoot.
3. The club is not responsible in case of accident or theft.
4. Shooters will be responsible for checking their scores and notifying management of any discrepancies. For purses, options and trophies, all scores are final 30 minutes after completion of the event.
5. Scores will be posted on shootscoreboard.com each day.

FOOD WILL BE SERVED ON THE GROUNDS

Dogs must be on a leash & controlled at all times.
No pets allowed in the clubhouse

LAKE OF THE OZARKS FUN FACT

The Netflix original TV series, "Ozark," was created by Bill Dubuque, who chose to set the story in the Lake of the Ozarks because he'd worked there as a teenager and "had a deep love for the place." However, the Ozark scenes are shot in Atlanta, although they were modeled extensively after the Lake of the Ozarks.

There are over 70,000 homes at the Lake of the Ozarks. Similarly, there's just as many docks to match. And, of all the people who own two homes across the entire state of Missouri, 40% of them own one property on the Lake of the Ozarks.

SQUADDING

PRE-SQUADDING INFORMATION

Due to the Corona virus (COVID-19) we ask that you please help us eliminate the overcrowding of our club house and long lines by using www.presquad.com we have added this pre-pay form to our website https://www.cognitofirms.com/MTA9/_2020MissouriFallHandicap

This pre-pay form can only be used after you have pre-squadded. You will be able to cashier completely including all targets, fees and options, Pre-classification only, you can email Steve Ricketts at srickett@sbcglobal.net. By doing this it will help us abide by the "social distancing" regulations inside the club house and reduce long lines.

If you are not able to pre-squad and pre-pay we will be available Sunday, September 21 at 10 a.m. to classify, squad and accept entries. For this shoot to help eliminate cashing lines we have eliminated the no refund policy for both pre-squad and walk-in entries.

The MTA will offer pre-squadding for this shoot using the Internet website **www.presquad.com**. This is a very easy system to use which lets you pick your own squads. You can return to the website anytime to look over the pre-squadded shooters. Pre-squadding will start August 23, 2020 and end on September 14, 2020. To help reduce empty posts, all Pre-squad posts not paid the day before will be opened up at 8 a.m. the next morning.

50 TARGETS PER FIELD

All events will be shot 50 targets per field. Banks are numbered from west to east. The numbers on the trap houses will not change for the duration of this shoot.

RELOCATION OF SQUADS

Please note that squad hustlers have the authority to move squads to different nearby traps at any time. This will be done in an effort to expedite the progress of events.

SHOOTERS MUST SQUAD RESPONSIBLY

Every attempt will be made to fill handicap squads. Squadding at one position in handicap events, and then actually shooting at a different position for squad can create yardage conflicts on the firing line. When squadding or returning unused posts, please remember that your actions have an impact on other shooters, in addition to yourself.
