

The South Carolina Trapshooters' Association (SCTA) has announced changes in dates and location for their 2024 State Shoot. Dates for the shoot are April 17 - April 21, 2024 and the shoot location will be the North Carolina Home Grounds, Bostic, NC. The shoot will provide a 1,300-target program with trophies for both resident and non-resident shooters for each of the 13 events. The NC Home Grounds is a 17-trap facility and offers full hookup camping spots.

The SCTA hopes you will join us and add our State Shoot to your shooting calendar for 2024.
