Classification & Handicapping

All target requirements described below **MUST** be met before firing a shot in the first event of the HOA (Event #4 - Wednesday 5/22). After meeting the target requirement, please return to classification. Any reclassification must occur prior to your paid entry into Event #4. After Event #4 is completed, class and yardage may only be increased.

Target Requirements:

- 1) Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target years will be advanced at least one class or more at the discretion of the Classification Committee. Shooters without an established average shall be placed in class 'B' or higher at the discretion of the Classification Committee.
- 2) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class or more at the discretion of the Classification Committee. Shooters without an established average shall be placed in class 'B' or higher at the discretion of the Classification Committee.
- 3) Assigned yardage applies during this tournament. Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous target year will be assigned to the 23 yard line or their regular Handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty, making them eligible for trophies and monies. Known ability may also be applied by the Handicap Committee. Shooters who fail to meet the minimum Handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.
- 4) Classification will be in accordance with known ability. To arrive at known ability the following will be taken into account as far as such information is available:
 - Official averages - abnormally low scores will be disregarded.
 - Non-registered scores including shoot-off scores, non-registered events, practice scores, etc.
 - Any other information known on shooters' ability to shoot and break targets.
 - Shooters are required to have their 16-yard and Doubles averages computed for use by the Classification Committee. Please see page 21 for the six class break-down.

Options

- 1) Options are not compulsory. In case of ties not otherwise covered, the monies for the number of places will be added together and divided equally among those in the tie regardless of the outcome of any shoot-offs. Shoot-offs are for trophies, honor and place.
- 2) All checks for payoffs will be void after 60 days.
- 3) NOTE: All Shooters Playing Option Purses Must Give The MTA Staff Your Social Security Number before you are able to play options.
